

**International 49er & 49erFX Class**

**EUROPEAN CHAMPIONSHIPS 2017**

**Notice to Competitors – Medal Race Inspections**

Boats shall be inspected by the Technical Committee before they depart for the race area.

Notwithstanding the timing in 3.4 of Sailing Instruction Attachment C, all boats in the 49er and 49erFX Medal Races are requested to present their boats for equipment inspection at the top of the main ramp in the harbour at the following times:

- 49erFX: 1200
- 49er: 1300

Failure to present your boat early for inspection will delay your departure to the race area as boats must be inspected before being allowed afloat.

Thank you.

**Rob Taylor**
